Vision Screening for 4 & 5 year olds

Next term we will be having free vision screening through the Statewide Eyesight Preschooler Screening (StEPS) program which is an initiative of the NSW Ministry of Health. If you have or know of a family in our area who would like to take part in this screening for their 4 or 5 year, please let them know. Please keep an eye out for the date & time. For more information, please contact the school for an information letter & brochure.

A reminder that library lessons are held on Wednesdays. Please remind your children to take their library books & bags to school each Wednesday. We had a great rate of borrowing in Term 1 but have had a slow start this term.
