

Thursday 15th October 2015

Dear Parents

We apologise that due to an extremely busy week with our visit to Farrer Memorial Agricultural High School on Tuesday and Attunga Public School today, as well as Ms Fritze (our editor and publisher) being at a workshop, we will not be publishing our weekly newsletter this week. We will have a jammed packed edition next week, with this week's happenings as well as future planned events included.

Thank you for your understanding.

Kind Regards

Toni Reid

Relieving Principal
